Almond Praline Paste 75 %

The rich aromas of freshly, delicately roasted California almonds and caramelized sugar form the base for Felchlin's Almond Praline Paste 75 %.

Only the finest California Almonds, which develop their intense flavour due to California's mild climate and abundant sunshine, have been selected for this high quality product. In order to achieve the exceptional rustic character of Almond Praline Paste 75 %, Felchlin uses exclusively whole natural almonds.

Advantages

The high content of 75 % of excellent California almonds guarantees an intensity in aroma and flavour. A small quantity of this praline paste will enhance the taste of your creations.

Applications

- pralines
- ice-creams
- mousses
- entremets / petit gâteaux
- dessert creations
- baked cakes
- flavouring sponges

Note

- ready to use
- warm up to 28-30 °C (82-90 °F)
- useable as flavour

To avoid the migration of almond oil to the surface of the paste, we suggest the product be stored at a temperature of: +5 °C to +8 °C (41 °F to 46 °F).
